

### PRODUCT DESCRIPTION

Pre-fabricated plastic paver/pedestal support specifically designed for the placement of pre-fabricated paver slabs of concrete, autoclaved compressed cement sheets, etc, on roofs or podium decks.

- ❑ PolyPad provide rapid drainage of surface water through uniform open joints in the paver surface.
- ❑ Eliminates any concern of efflorescence as there is no screed or tiling grout present in the paver system.
- ❑ Eliminates the risk of debonding pavers as a result of improper installation and/or tile movement.
- ❑ Promotes maximum design flexibility as the pavers are easy to remove and changed for future facility use or stylistic changes in the future.
- ❑ Provides convenient area under the paver to run utilities to garden beds or podium/roof area lighting.

### USAGE/PURPOSE

- ❑ Each PolyPad has a circular base plate, which has bevelled edges to ensure that no mechanical damage is caused to underlying waterproofing membranes by the PolyPad support.
- ❑ Spacer lugs allow for a variety of quickly adjustable heights, with a minimum of 30mm to a maximum height of 45mm.

### SHELF LIFE

Unlimited.

### STORAGE

Store in a cool place in original unopened packaging.

### TECHNICAL SERVICE

TREMCO has a team of Representatives who provide assistance in the selection and specification of products. For more detailed information or service and advice, call Customer Service on (02) 9638 2755 or fax (02) 9638 2955.

### GUARANTEE/WARRANTY

TREMCO products are manufactured to rigid standards of quality. Any product which has been applied (a) in accordance with TREMCO written instructions and (b) in any application recommended by TREMCO, but which is proved to be defective, will be replaced free of charge.

Any information provided by TREMCO in this document in relation to TREMCO's goods or their use is given in good faith and is believed by TREMCO to be appropriate and reliable. However, the information is provided as a guide only, as the actual use and application will vary with application conditions which are beyond our control.
